

# The Centre for Palliative Care Research and Education

## Trajectories of Dying: Recognise, Strategise, Do

Presented as part of the MN HHS and PHN  
Health Alliance Initiative

### Target audience \*

General Practitioners (GPs) who care for people with life-limiting conditions and/or older persons are invited to register.

GP Registrars and medical students with an interest are welcome to register – contact [CPCRE](#).

### Aims:

1. To build on existing knowledge and practice to increase understanding and recognition of end of life trajectories;
2. Consider available strategies to provide support for those receiving palliative care services in MN HHS;
3. To share knowledge and experience of caring for people with palliative care needs.

### Invited Speakers:

- **Professor Geoff Mitchell**  
University of Old School of Medicine
- **Dr Jeff Rowland**  
General Medicine, The Prince Charles Hospital
- **Dr James Stevenson**  
Director Palliative Care, The Prince Charles Hospital
